

Summary

- A student with four years of Computer Science and Engineering credits who is willing to learn more about computers and engineering principles.
-

Professional Experience:

Westwood Swim and Dive

High School Swim Team Captain

2023-2024

- Demonstrated leadership for the Westwood Swim and Dive team by leading swim meet warm-ups and guiding the team toward success.
- Organized social events such as fundraising, homecoming dinner, homecoming float decoration, etc. allowing more team bonding and team building.
- Raising the morale/motivation of the team by sending the team positive weekly messages through the designated group chat.
- Collaborated with the booster club and the coaches regarding swim meets, fundraising, and overall team motivation.
- Acted as the middleman for general swim team members if they had any questions to ask the coaches regarding specifics.
- Supported both the team and booster club by acting as a photographer and taking sports photos for the entertainment of the team.
- Extinguished disputes, conflicts, and all forms of toxicity by ensuring a positive and welcoming environment in and out of the water.
- Exemplified a strong work ethic by demonstrating dedication to both club and high school swimming and trying during practices.

Westwood Swim and Tennis Summer Camp

2021-2023

Camp Counselor

- Rallied a group of 30 children with the intent of teaching them how to swim the four major swimming strokes/styles, diving, treading water, and water polo.
 - Ensured a safe and healthy camp session through the means of encouragement and making sure that the kids did not perform dangerous acts of any sort.
 - Coordinated schedules and events with fellow camp counselors to provide an immersive experience for the young swimmers.
-
